TEAM PLACEMENT AND ACCEPTANCE GUIDELINES

Previous year Resident Sponsored Teams and Grandfathered Non-Resident Sponsored Teams will have **1st priority**.

Previous year Resident Sponsored Teams with a New Resident Sponsor will have **2nd priority** provided that the previous year's sponsor does not enter a team. If teams wish to be considered as a previous year's team having a New Resident Sponsor they must have at least 6 players returning from the previous year's team. If the team cannot show that this is the same team as last year, it will be treated as a New Resident Sponsored Team.

New Resident Sponsored Teams will have **3rd priority**.

Non-Resident Sponsored Teams will have **final consideration** to be accepted into open slots within a league after all Resident Sponsored Teams have been placed. Priority will be given to the previous year's non-resident sponsored teams over new non-resident sponsored teams.

Within each priority level - teams will be accepted according to their time of registration based on a first-come, first-serve basis and the number of open slots within a league. Payment must be made with a sponsoring business check showing the name of the business on the check – personal checks will not be accepted. Self-Sponsored Teams must submit a roster at the time of registration with a minimum of 5 resident players (*names, addresses and phone # required*) in order to be considered a Resident Sponsored Team.

The Recreation Department reserves the right to reject a team based on a limited number of open spots within a league, late registration, past behavior, non-compliance with league rules and other reasons deemed detrimental to the league.

Players may register to play on only one team per evening.

Return this Entry Form and your Team Entry Fee no later than 4:00 pm on Wednesday, March 7, 2018.
