OVER

Private Swim Lesson Polices & Guidelines

1. A private lesson agreement must be completed and payment received prior to conducting private or semi-private lessons.
2. When purchasing a session of 4 lessons the dates and times must be agreed upon by both the participant and instructor. These dates and times

may be adjusted only if the instructor is able to accommodate the change and a minimum of 24-hour notice is given.

3. To cancel a lesson, a 24-hour notice must be given by email, phone or in person to the instructor.

- Please make note of the time and who you speak with when canceling a lesson.
- If the instructor is unable to make up the canceled lesson a credit will be issued.
- Instances involving extenuating circumstances where notice is given less than 24 hours in advance will be dealt with on a case by case basis. However, this does not guarantee that a makeup lesson or credit will be granted. The reason, amount of notice given, and history of canceled or missed lessons will be considered.
- If no notice is given, the lesson missed will count as one of your scheduled lessons and no credit or make up lesson will be given.

4. If a lesson is canceled by the instructor, we will make a reasonable effort to contact you as soon as possible. A makeup lesson will be scheduled. A credit will be issued if a makeup lesson cannot be scheduled.

5. Please be on time. The scheduled ending time for a lesson will not be extended for participants arriving late.
