TEAM PLACEMENT AND ACCEPTANCE GUIDELINES

Previous year Resident Sponsored Teams and Grandfathered Non-Resident Sponsored Teams will have **1st priority**.

Previous year Resident Sponsored Teams with a New Resident Sponsor will have **2nd priority** provided that the previous year's sponsor does not enter a team. If teams wish to be considered as a previous year's team having a New Resident Sponsor they must have at least 6 players returning from the previous year's team. If the team cannot show that this is the same team as last year, it will be treated as a New Resident Sponsored Team.

New Resident Sponsored Teams will have **3rd priority**.

Non-Resident Sponsored Teams will have **final consideration** to be accepted into open slots within a league after all Resident Sponsored Teams have been placed. Priority will be given to the previous year's non-resident sponsored teams over new non-resident sponsored teams.

Within each priority level - teams will be accepted according to their time of registration based on a first-come, first-serve basis and the number of open slots within a league. **Payment** must be made with a sponsoring business check showing the name of the business on the check – personal checks will not be accepted. **Self-Sponsored Teams** must submit a roster at the time of registration with a minimum of **5 resident players** (*names, addresses and phone # required*) in order to be considered a **Resident Sponsored Team**.

The Recreation Department reserves the right to reject a team based on a limited number of open spots within a league, late registration, past behavior, non-compliance with league rules and other reasons deemed detrimental to the league.

Players may register to play on only one team per evening.
